We understand...

the life of single adults.

We are here for you. If you are looking for a church to establish a relationship with the God that made you, to meet new friends and learn how to enjoy life... we believe you are looking at the right place....

First Baptist Spartanburg

We Believe:

Single Adults are precious to the Lord.

God's intention for every single adult is an intimate relationship with Him.

God has a plan and a purpose for singleness.

Single adults are a special gift to the church.

God has a special, unique place of service for each single adult within the Body of Christ.

By joining together, single adults can greatly enhance their fruitfulness and blessedness.

God's Word, the Bible, is foundational to all that we do and believe as individuals, and as a church.

In Christ more is possible than you can ever imagine

Maybe there isn't a special someone in your life. It could be that for the first time in a long time you are alone.

Whether it be pain or loneliness or just direction you want in your life we believe that God has a sequence to peace, joy and fulfillment in life.

"But seek first the kingdom of God and His righteousness, and all these things shall be added to you."

Life Groups

We believe there is meaning to life...

On Sunday morning we discuss life. A teacher that cares for us speaks from their heart as we open our Bibles together to hear lessons that are relevant to where we are in life. We know that there is hope when we go to God's word and establish relationships with those in our Life Group.

Wednesday Worship

Absolutely Awesome! We think Wednesday Worship & Praise is great. It's casual, laid back and a great time to catch up with each other. We sing, we laugh, we talk, we pray, and we listen to timeless truths from God's word. It is a "picker upper" that is needed in the middle of the week.

Mission Statement

The Single Adult Ministry of First Baptist Church, Spartanburg, South Carolina, exists to encourage single adults to live complete and courageous lives in Christ.

Community

We believe our community is very important, so we like to serve those that live around us. Christmas for Others, Feeding the Community, volunteering at the Soup Kitchen and in our church Helping Center are some of the ways we love to help our neighbors.

Fun Stuff

We like to get together and have some fun. Cookouts and BBQs are a couple of our specialties. Volleyball, basketball, board games...etc. are part of our regular routine as well. We make a big deal of planning a special event during Christmas and we've been known to go on an occasional retreat.
