

# FBS STUDENTS

## ***FBS Students DNA***

- **Who We Are**
  - FBS Students is the Student Ministry of First Baptist Church Spartanburg. We exist to provide opportunities for teenagers to experience Jesus and engage in a relationship with Him. We celebrate changed lives! Our goal is to create an environment where students may know Christ and grow in their walk with Him. FBS Students welcomes all teenagers. This is a ministry for 6th through 12th grade students.
- **What We Desire**
  - It is our desire that when a student graduates from High School, they do not graduate from their faith. The Middle School and High School years are vital in the spiritual growth of a person. We understand these years are important. After grade school ends, students step into a completely different environment. We hope their faith is strong and continues to grow.
- **What We Believe**
  - We believe this is possible when students have a solid foundation built on Jesus and His Word. Through discipleship, community, service and worship, we seek to cultivate an audacious faith in teenagers. There are many weekly and yearly opportunities to join us. Each week we have a Wednesday worship experience, Sunday morning Life Groups and Sunday night Discipleship Groups.

## ***FBS Students Structure***

- **Priorities**
  - Changed Lives
  - Spiritual Growth
- **Focus**
  - Relationships
  - Creativity
